DISCLAIMER & APPLICANT DECLARATION

Consumer and previous insurer reports containing personal, credit, factual, or investigative information about the applicant may be sought in connection with this application or any renewal, extension, or variation thereof. All provisions in the various forms issued under this contract shall be deemed contained in the present application. The policy may be void and claims denied where the applicant provides false/erroneous information, knowingly misrepresents or fails to disclose any fact required, contravenes a term of the contract, commits fraud, or wilfully makes a false claim statement. I certify that all statements in this application are complete and accurate and apply for a contract of insurance based on their truth.
